

Heterodox Economics Foundation

Call for participants
Association for Heterodox Economics
Funded post graduate workshop on advanced research
methods

15th-16th January 2015
Open University London Centre

There are funded places available for registered Ph.D. students to cover UK travel, accommodation and subsistence expenses for the above event. The workshop covers topics in research not typically covered in economics training. The workshop is open to any Ph.D. students, but UK-registered Ph.D. students have priority. Funding priority will be given to UK-registered students. However, overseas students may apply for (partial) funding from the Heterodox Economics Foundation. Students who have previously attended are not eligible for funding.

Workshop topics include:

- *Reorienting economics to match method with social material*
- *Quantitative analysis applicable to open economic systems*
- *Grounded theory in Economics*
- *Social network theory in Economics*
- *Mixing quantitative and qualitative data*
