Keynotes

Dora Barrancos is a Professor at the University of Buenos Aires and director of Social Sciences and Humanities at the Argentinian National Scientific and Technical Research Council (CONICET). Barrancos' research areas include history, gender and sexualities.

Rama Salla Dieng is Lecturer in African Studies and International Development at the University of Edinburgh. Her main research interests are in Agrarian Political Economy, Food and Capitalism in Africa, Gender and Development, and Economic Policy-making in Africa.

Sheila Dow is Emeritus Professor of Economics at the University of Stirling, Scotland Her main academic focus is on raising methodological awareness in the fields of macroeconomics, money and banking, and the history of economic thought.

Jason Hickel is Senior Lecturer in Anthropology at Goldsmiths, University of London. His present research focuses on global inequality, political economy, post-development and ecological economics.

Chantal Naidoo is programme director with the European Climate Foundation in South Africa. She holds a PhD from the Science Policy Research Unit (SPRU) at the University of Sussex. Her research relates to the role of financial systems in sustainability transition processes, national development banks, financing strategies for climate action and rethinking finance theories for sustainability.

Julia Steinberger is Professor of Social Ecology & Ecological Economics at the University of Leeds. Her research examines the connections between resource use (energy and materials, greenhouse gas emissions) and societal performance (economic activity and human wellbeing).

Ndongo Samba Sylla is Research and Programme manager at the West Africa office of the Rosa Luxemburg Foundation in Dakar, Senegal. He recently published the book "The Invisible Weapon of Franco-African Imperialism, with Fanny Pigeaud.

YSI-Sponsored Keynotes

Prabhat Patnaik is Professor Emeritus at the Centre for Economic Studies and Planning, Jawaharlal Nehru University. He has written extensively on macroeconomics and political economy. His most recent book is *A Theory of Imperialism* (2016) with Utsa Patnaik.

Eiman O. Zein-Elabdin is Professor of Economics at Franklin & Marshall College. She has written extensively on postcolonial thought, economic development, the political economy of Africa, gender and economics, and institutional economics. Her most recent book is *Economics, Culture and Development* (2016).
