Conference Venue Arrival Guide:

Conference Venue:	Anglia Ruskin University Lord Ashcroft Building East Road CB1 1PT
Arrival on foot/train	<p>The ARU East Road campus is about a ten-minute walk from the centre of Cambridge and landmarks such as the Guildhall and Market Square. The Lord Ashcroft Building (LAB) is just around the corner on Broad Street (past main entrance on East Road).</p> <p>Trains run frequently between Cambridge and London, Ipswich, Peterborough, King's Lynn, Birmingham, and Stansted Airport. If you're travelling from Heathrow, Gatwick, or via Eurostar, head for King's Cross or Liverpool Street stations in London; you can catch trains to Cambridge from there.</p>
By car	<p>Cambridge is currently running four Park and Ride bus routes. Individual routes are shown below. Prices can be found here: https://cambridgeparkandride.info/</p> <p>Parking in the city is difficult. You can try the Grafton Centre Carpark (East Rd, Cambridge CB1 1PS, 5 minutes walk from ARU), but we recommend not to drive into Cambridge!</p>
By bus	<p>ARU is a 15-minute walk from Drummer Street bus station, where most local bus services stop. National Express coaches (including services from Heathrow, Gatwick, Luton, and Stansted airports) stop at the Cambridge Coach Station on Parkside, a five-minute walk from campus.</p>
